The only requirement for membership is that there is a problem of alcoholism in a relative or friend. When two or more relatives or friends of alcoholics meet to solve their common problems, they may call themselves an Al-Anon family group, provided that, as a group, they are self-supporting and have no outside affiliation. A directory listing does not endorse any group or its practice of the traditional Al-Anon program. Alateen meetings consist of younger family members assisted by Al-Anon sponsor(s).
